

## PRESS RELEASE

St-Jean-sur-Richelieu, Quebec, Canada

January 9<sup>th</sup>, 2026

### **St. Johns Packaging Completes Acquisition of Flexible Packaging Solutions Pty Ltd**

St. Johns Packaging Ltd. announced today that it has completed the acquisition of Australian printer-converter Flexible Packaging Solutions Pty Ltd (FPS). Operating out of a state-of-the-art facility in Brisbane, FPS is a leading player in the Australian food packaging market, with particular expertise in the fresh produce sector.

*"We are delighted to welcome FPS's experienced management team and highly qualified employees to the St. Johns Packaging family. Having established a strong competitive position in the North American and UK bakery packaging markets, this acquisition will enable us to integrate FPS into our broader Asia Pacific operations, bolstering our competitive position in that market"*, explained Marc Leclair, President and CEO of St. Johns.

Leclair further commented, *"The acquisition of FPS allows us to strengthen our management team while expanding and diversifying our manufacturing capabilities, product mix, customer base and geographic footprint. We continue to be on the lookout for other similar opportunities"*.

#### **About St. Johns Packaging Ltd**

Founded in 1954 by René J. Leclair and headquartered in Montreal, Canada, St. Johns is a vertically integrated manufacturer of flexible packaging products that are sold to leading food and consumer product companies. Controlled by the third generation of the Leclair family and employing more than 950 dedicated employees, the company currently operates manufacturing facilities in Canada, the United States, Mexico, the UK, China and Vietnam.
